We Serve

Lions are Ready to Help

When a Lions Club gets together, problems diminish and communities excel. The Lions help wherever and whenever needed. It may be in our own communities or around the world, we help with unmatched integrity and energy.

Everywhere we work, we make friends.

We are one of the most effective service club organizations. Led by talented and dedicated volunteer leaders from around the world. We get the job done! From helping children who need new schoolbooks to seniors who need transportation.

The Lions Club International Foundation (LCIF) helps fund Lions Humanitarian Projects.

Join Us!

Right now, Lions are improving communications around the world. We are meeting to plan a local project. We are sponsoring international exchanges for young people. We are bringing clean drinking water to a remote village. We are building. We are sharing. We are repairing and we are having fun while doing it.

There are many reasons to become a Member. As a Lion, you will:

- Help your community
- Gain valuable skills
- Make an impact on people's lives both locally and internationally
- Learn to be a leader – and lead a respected organization
- Network with business people in your community and around the world
- Energize your life and have fun!

You will grow personally and professionally. You will know that what you do is worthwhile and appreciated.

Lions are groups of service-minded men and women who are interested in improving their communities. We are young people, families, and baby boomers alike.

To become a Lion is to become an active volunteer, a member of a respected international organization, a leader in your community and a friend to people in need.
